The Stranger (6:17:43 PM):	I shall return!
Smiggles Smiggles (6:18:08 PM):	Okay. I'm almost finished. I just need to figure out how to get rid of the second Smiggles.
Smiggles Smiggles (6:18:18 PM):	Althoug it -is- twice the fun...
Smiggles (6:19:31 PM):	Did I successfully murder my twin personality?
The Stranger (6:26:59 PM):	I believe so.. I'll check now.
Smiggles (6:27:32 PM):	These stranger videos are amazing.
Smiggles (6:27:37 PM):	http://www.youtube.com/watch?v=euOH2RRTT0w
Smiggles (6:27:56 PM):	The comments make them so much better. "I bet the "Strangers" weren't even paid actors. They were just conviniently lurking in the park staring at children, and were filmed from a distance" "Mommy! There's some stranger singing in the playground!"
The Stranger (6:28:12 PM):	LOL.
The Stranger (6:28:17 PM):	Random!
The Stranger (6:28:25 PM):	But have you seen Peewee Herman's Drug PSA?
The Stranger (6:28:31 PM):	I mean the character.
Smiggles (6:28:47 PM):	No, but if it's Peewee Herman, I'm kind of afraid to see it.
The Stranger (6:29:20 PM):	It's very frightening! He's in a dark room.. Similar to that Movie Theater he was in.
Smiggles (6:30:01 PM):	How did Peewee find crack?
The Stranger (6:30:12 PM):	You know how he rolls.
Smiggles (6:30:45 PM):	Hey, Clint Eastwood!
Smiggles (6:30:48 PM):	http://www.youtube.com/watch?v=yLICsSuUO5s
Smiggles (6:30:56 PM):	You like/d Westerns?
The Stranger (6:31:19 PM):	No, well.. I like western video games.
The Stranger (6:31:31 PM):	Sunset Riders.. Red Dead Redemption.
Smiggles (6:31:40 PM):	Hmm, what was that one called?
The Stranger (6:32:09 PM):	The one that came out earlier this year?
Smiggles (6:32:23 PM):	Actually, nevermind. I don't want to think about it.
Smiggles (6:33:03 PM):	I mean the one from the '80s where some cowboy raped an Indian tied to a pole.
Smiggles (6:33:17 PM):	I suspect that's the kind of Western you're -really- into.
The Stranger (6:33:21 PM):	Custer's Revenge.
The Stranger (6:33:24 PM):	You caught me!
The Stranger (6:33:43 PM):	I make the same face as my icon as I play.
Smiggles (6:33:54 PM):	Who is that?

The Stranger (6:34:07 PM):	Steven Rhoades from Married... With Children.
The Stranger (6:38:30 PM):	Yes.. For that Stranger Song..
The Stranger (6:39:08 PM):	Those were -actual- pedophiles, such as the guy who reads the pedophile's manuscript in To catch a Predator.. Not Chris Hansen! But when they read little snippets.
Smiggles (6:39:27 PM):	It all makes sense now!
Smiggles (6:39:34 PM):	I wonder if I can tryout for such a position.
The Stranger (6:42:09 PM):	Hmm.. I wonder if they would pay me for ad-libbing.
The Stranger (6:42:18 PM):	Such as licking my lips at a playground.
Smiggles (6:42:37 PM):	Find out. Go walk around some parks and stare lustfully at toddlers.
Smiggles (6:42:43 PM):	I really want to sing that song in a park sometime.
The Stranger (6:43:09 PM):	XD
Smiggles (6:43:42 PM):	How is Red Dead Redemption?
The Stranger (6:44:15 PM):	It's very good! A great game! But horseback gun combat is a little hard at first, I couldn't finish it though since my 360 broke down.
The Stranger (6:44:25 PM):	*A little hard to learn at first
Smiggles (6:44:41 PM):	Is it anything like Grand Theft Auto or is it much different?
The Stranger (6:46:43 PM):	It uses the same engine as Grand Theft Auto 4, in some ways it is the same,(Same button scheme, and theme [Ruffian needs to stand up for what he thinks is right.]) But also very different and.. Personally I like Red Dead Redemption much better than Grand Theft Auto 4, as GTA4 didn't have much humor, in the plot while RDR does.
The Stranger (6:48:45 PM):	But not straight out humor such as the old Grand Theft Autos, but still enough humor to make you go "Wait what?! *Giggle* Oh dear!"
Smiggles (6:49:32 PM):	Oh, it's only for the Xbox 360 and Playstation 3. I couldn't play it.
Smiggles (6:50:23 PM):	It looks good, though/
Smiggles (6:56:39 PM):	I'm too used to GoldenEye 007. These graphics look amazing.
The Stranger (6:57:19 PM):	So you have a Wii?! Do you have Donkey Kong Country Returns? I have my eye on that.
Smiggles (6:57:30 PM):	I don't have a Wii, either. :-(
The Stranger (6:57:38 PM):	:-[
Smiggles (6:57:46 PM):	I wish I had eyebrows. :-(
The Stranger (6:58:03 PM):	I wish my eyebrows were so thick. :-[
Smiggles (6:58:56 PM):	I never really liked the Donkey Kong Country games, but I played Donkey Kong 64 a lot.
The Stranger (6:59:30 PM):	What about Conker's Bad Fur Day?
Smiggles (6:59:36 PM):	I never tried it.
The Stranger (7:00:10 PM):	The humor is crass.. Stupid, and there are numerous movie references from 2001.. And I couldn't love it more.
Smiggles (7:01:31 PM):	Conker is like a pedobear. He tried tricking children into thinking he was lovable by being in Diddy Kong Racing.
The Stranger (7:01:55 PM):	He had a children's game before he became more mature!
Smiggles (7:02:03 PM):	Just as I suspected!
Smiggles (7:06:40 PM):	Watching scenes from it, I wonder how many children played the game and had strange questions for their mothers.
The Stranger (7:07:08 PM):	Such as 'Why is that squirrel making pee pees on the fire?!'
	Random.. Do you like King of the Hill? And Techno? ...And Boomhauer from King of the Hill? >.>;;

The Stranger (7:08:28 PM):	
Smiggles (7:08:55 PM):	Techno as in the music genre?
The Stranger (7:09:00 PM):	Yes.
Smiggles (7:09:48 PM):	I don't know if this is Techno or not, but I think it's amazing. I wish I could find more like it.
Smiggles (7:09:52 PM):	http://www.youtube.com/watch?v=SE0kYRUwjzg
The Stranger (7:14:21 PM):	That was very good! But I mean something more like.. Now.. I'm not sure if you'll like it but.. I do. http://www.youtube.com/watch?v=sLKBmHNY31w
Smiggles (7:14:42 PM):	"The video you have requested is not available. If you have recently uploaded this video, you may need to wait a few minutes for the video to process. "
Smiggles (7:15:25 PM):	I haven't listened to much Techno and I haven't seen King of the Hill.
Smiggles (7:15:58 PM):	Oh, man. I just remembered something you'd love.
The Stranger (7:16:01 PM):	http://www.youtube.com/watch?v=sLKBmHny31w You don't have to listen to the whole thing, if you don't like the first five seconds you don't gotta listen to the rest.
Smiggles (7:16:07 PM):	Okay.
The Stranger (7:16:16 PM):	Gasp! And what?!
Smiggles (7:20:23 PM):	I didn't really like it, so I guess not. The music I generally like is pretty gay-sounding.
Smiggles (7:20:29 PM):	*The music I like
Smiggles (7:20:40 PM):	Oh, nevermind. Faulty proof-reading skills..
Smiggles (7:20:45 PM):	Anyway, like this:
Smiggles (7:20:47 PM):	http://www.youtube.com/watch?v=Lp2qcCrdBLA
The Stranger (7:25:42 PM):	I liked it!
The Stranger (7:25:47 PM):	But that man's mullet..
The Stranger (7:28:08 PM):	It frightens.. Yes seduces me into his 80's world.
The Stranger (7:28:13 PM):	*Yet
Smiggles (7:29:29 PM):	Oh- The thing.
Smiggles (7:29:44 PM):	I vaguely recall telling you about this, but have you heard of Cromartie High School?
The Stranger (7:29:54 PM):	No, I have not.
Smiggles (7:30:23 PM):	It's an anime with about 25 10-minute episodes. You'll love it.
Smiggles (7:30:35 PM):	Here's the first one. It gets better as the series continues.
Smiggles (7:30:37 PM):	http://www.youtube.com/watch?v=o_edcHNUMxo
Smiggles (7:30:51 PM):	Anyway, speaking of being gay, have you ever played DDR?
The Stranger (7:31:14 PM):	Once or twice, I'm not good at it, why?
Smiggles (7:31:23 PM):	I'm just wondering. I'm about to leave to play it.
The Stranger (7:31:46 PM):	Ooo! At the arcade? I always screw up on those things. XD
Smiggles (7:32:16 PM):	Well, I used to, but that place went out of business. The only functioning machine within an hour of me is at a movie theater.
The Stranger (7:32:47 PM):	I'll leave you to it! Score some extra points for me!
Smiggles (7:33:00 PM):	I'll try, although it would help if I had a mullet. See you later.

Smiggles (7:33:21 PM):	
The Stranger (7:33:28 PM):	See you later! Take care!
Smiggles (11:39:47 PM):	I'm feeling sore.
The Stranger (11:39:58 PM):	Welcome back.
The Stranger (11:40:08 PM):	And too much dancin'?
Smiggles (11:40:20 PM):	Yes. Brother Louie challenged me to a dance-off.
The Stranger (11:40:42 PM):	Did his mullet frighten you?
Smiggles (11:40:53 PM):	He performed unspeakable acts with it.
The Stranger (11:41:14 PM):	Did Bill Cosby watch?
The Stranger (11:41:25 PM):	I--I dunno. XD
Smiggles (11:41:37 PM):	He beat me up and stole my pudding. :-(
Smiggles (11:41:41 PM):	Everyone was picking on me.
The Stranger (11:42:00 PM):	Because he stole your pudding?
Smiggles (11:42:15 PM):	Yes. I wasn't one of the cool kids anymore 'cause I didn't have a hip lunch.
Smiggles (11:42:29 PM):	And I couldn't buy another because Bill took my lunch money, too!
The Stranger (11:42:45 PM):	Bill Cosby molested me with a pudding pop..
The Stranger (11:42:50 PM):	Just last week.
Smiggles (11:42:54 PM):	I'm sorry.
The Stranger (11:43:09 PM):	I was about to go to sleep.. And well.. This is what happened..
The Stranger (11:43:33 PM):	"How about a pudding pop?!" "...No thank you.." "Take a pudding pop! *[Censored]*"
Smiggles (11:43:43 PM):	You're so strong...
Smiggles (11:43:51 PM):	I know this must be hard for you.
The Stranger (11:44:09 PM):	It's okay.. I'll pull through.. I molested him right back..
Smiggles (11:44:16 PM):	That's my boy!
The Stranger (11:45:01 PM):	And while doing it.. I called him Mr. Kodak.. But then.. I--..I..
Smiggles (11:45:09 PM):	It's okay. I understand.
Smiggles (11:45:27 PM):	I actually saw Bill Cosby once.
Smiggles (11:45:34 PM):	One of his performances, in 2005.
Smiggles (11:45:55 PM):	I think that's the only comedy-show-esque event I've been to.
The Stranger (11:46:13 PM):	He's very funny.
Smiggles (11:46:21 PM):	Speaking of which-
Smiggles (11:46:32 PM):	Did you check out Cromartie High School?
The Stranger (11:46:43 PM):	I saw the first episode. XD
The Stranger (11:46:54 PM):	I'll watch more tomorrow.
The Stranger (11:47:13 PM):	That anime.. For some strange reason.. Reminds me of River City Ransom.
Smiggles (11:47:51 PM):	I just looked it up. It does look like t.
The Stranger (11:54:22 PM):	They should make a River City Ransom Anime. >>;

Smiggles (11:54:37 PM): Cromartie High School seems close enough.

The Stranger (7:56:37 PM): Hello, how are you?
Smiggles (7:57:12 PM): Okay, I guess.
Smiggles (7:57:33 PM): What happened to that guy?
Smiggles (7:57:37 PM): He looks... unhealthy.
The Stranger (7:57:48 PM): It's a polar bear. XD
Smiggles (7:57:52 PM): Oh.
Smiggles (7:58:00 PM): I...
Smiggles (7:58:03 PM): I don't see it.
The Stranger (7:58:27 PM): I'll change it to something more humorous!
Smiggles (7:58:28 PM): I can't comprehend what I'm looking at.
Smiggles (7:59:05 PM): Oh, I see it now. Its head is to the side.
Smiggles (7:59:20 PM): I never knew polar bears were so suggestive.
The Stranger (7:59:26 PM): Indeed!
Smiggles (7:59:47 PM): No wonder there used to be so many in my stuffed animal collection.
Smiggles (7:59:50 PM): I thought they loved me for me.
The Stranger (8:00:25 PM): No.. In truth they wanted to be more than just friends.. As with every childhood toy--I mean.. I've said too much..
Smiggles (8:01:05 PM): I wish someone would have told me this earlier.
Smiggles (8:01:08 PM): Now I feel so violated.
Smiggles (8:02:04 PM): Did you see the second episode?
The Stranger (8:08:22 PM): I have not! Thank you for reminding me.
Smiggles (8:09:23 PM): http://www.youtube.com/watch?v=0wU2t1cu7io As I said before, the series gets better as it continues.
The Stranger (8:18:01 PM): WAIT.. Freezeframe.. They don't know Mecha Zawa is a robot?!
Smiggles (8:18:12 PM): Who?
Smiggles (8:18:16 PM): The classmates?
The Stranger (8:18:20 PM): Yes.
Smiggles (8:18:24 PM): They don't see it.
Smiggles (8:18:50 PM): Well, I mean, they do see him the way he is, but they don't recognize that he's a robot.
The Stranger (8:19:03 PM): XD
The Stranger (8:23:24 PM): I'm watching the third episode.
The Stranger (8:31:28 PM): This is the best anime since.. Since.. Fooly Cooly.
Smiggles (9:08:50 PM): I don't know why I didn't think to mention it to you earlier.
The Stranger (9:09:24 PM): I need to reccomend it to some people.
The Stranger (9:10:02 PM): I have a friend who thinks Gin Tama is the peak of anime hilarity, when I tell him about this.. I don't know what will happen.

Smiggles (9:10:20 PM): If you want to convince people to watch it, you can show them a particular scene from later in the series.

Smiggles (9:10:23 PM): http://www.youtube.com/watch?v=nrI7QUJfkvI

The Stranger (9:10:58 PM): I've gotta go for now! I will watch that when I come back! Bye for now!

SixteenBitElder signed off at 9:11:02 PM

Smiggles (9:11:05 PM): Goodbye.

Wednesday, December 08, 2010

The Stranger (2:39:03 PM): I apologize I left in a hurry last night but my friend tends to get testy if I don't hurry and get on the phone, sorry about that. :-[

Smiggles (6:55:13 PM): I can't forgive you until you stop mocking me with your eyebrows!

The Stranger (6:55:43 PM): I will! I'm sorry! They're just so thick and delicious!

Smiggles (6:55:55 PM): So scrumptious.

Smiggles (6:56:54 PM): Do you have this set so you see text from before having logged off?

The Stranger (6:57:48 PM): I've gotten messages while offline.

Smiggles (6:58:08 PM): Did you save the link last time?

The Stranger (6:59:00 PM): Argh! I forgot, but I remembered the name of the clip.. I saw it, that's hilarious. "*Punches troll in face* How will I get back at him?!"

Smiggles (6:59:35 PM): Your friend will probably want to see the entire series if you show that to them.

Smiggles (7:10:59 PM): Do you have any Steam games?

The Stranger (7:11:36 PM): Sadly I do not. :-[

Smiggles (7:13:15 PM): Those are pretty much the only online games I have other than Phantasy Star Online.

Smiggles (7:16:37 PM): Do you like any first person shooters?

The Stranger (7:17:26 PM): Hmm.. I've never really played any.. But if I had to pick I'd say.. Duke Nukem.

Smiggles (7:17:54 PM): Have you heard of Operation7?

The Stranger (7:18:07 PM): No I haven't what is it about?

Smiggles (7:18:32 PM): It's a free one that's fairly fun because of how realistic it is compared to others in certain ways.

The Stranger (7:20:35 PM): Ooo! You mean the physics?

Smiggles (7:20:42 PM): I can't really find any good videos demonstrating what I mean.

Smiggles (7:21:27 PM): It doesn't have physics. I mean that the weapons are treated more realistically than in other games like Call of Duty.

Smiggles (7:22:13 PM): Like each magazine keeps the same amount of ammunition when you switch them out, you sprint and move more reasonably, you don't hit anything well with pistols unless you're using the sights, and that kind of thing.

Smiggles (7:22:34 PM): I enjoy it. Maybe we can try it sometime. The pistols only mode is my favorite setting.

Smiggles (7:22:53 PM): http://www.youtube.com/watch?v=9WOgu1qAtbA This is it.

The Stranger (7:22:55 PM): Sure, I'm willing to give it a whirl.

Smiggles (7:23:12 PM): Anyway...

Smiggles (7:23:18 PM): I'm off to go dancing with this guy.

Smiggles (7:23:19 PM): http://www.youtube.com/watch?v=eeZsSn0p4KY

The Stranger (7:24:53 PM): You have fun dancing with him and his unbelieveably white suit.

The Stranger (7:24:58 PM): And perfect hair.

Smiggles (7:25:45 PM): I'll... try.

Saturday, December 11, 2010

Smiggles (11:24:15 PM): Why are there only men in the match.com advertisement at the bottom of my AIM window? Is AOL insinuating something about me?

The Stranger (11:24:53 PM): It does the same thing to me.. I think it knows I'm..--Er.. I mean.

Smiggles (11:25:02 PM): You mean -we-.

Smiggles (11:25:04 PM): I mean- Uh-

Smiggles (11:25:16 PM): My feet are sore again. :-(

Smiggles (11:26:12 PM): I was going to play DDR yesterday but I got a blister on my toe the last time and it hadn't recovered enough. So I went today instead, but I suppose I didn't allow it to have enough time to recover because it was punctured anyway.

Smiggles (11:26:26 PM): So, long story short, if I disappear, it's safe to assume that I died of a staph infection.

The Stranger (11:27:36 PM): Did you clean the wound immediately? Blister-thingy.. I can't find the right word.

Smiggles (11:28:00 PM): I tried. But Brother Louie and the mullet-guy were beckoning me!

The Stranger (11:28:53 PM): Brother Louie kissed me yesterday so hard my body became sore.

Smiggles (11:29:27 PM): I guess he finally listened and decided that she was only looking to the mullet-guy.

Smiggles (11:30:01 PM): I'm glad I went today instead, anyway. It's fun to hang out with those two guys on Saturdays, and El DeBarge on Wednesdays. But on Fridays...

Smiggles (11:30:15 PM): This guy's always there. http://www.youtube.com/watch?v=fjjOv9wuM08

The Stranger (11:31:47 PM): Does he do this dance?

Smiggles (11:31:58 PM): Every time.

Smiggles (11:33:14 PM): Okay, I admit it. That's me. :-(

The Stranger (11:34:22 PM): *Grows eyebrows* :-[Just for that I have to show you my eyebrows.. And flaunt them.

Smiggles (11:34:34 PM): I feel so ashamed.

The Stranger (11:35:27 PM): You know what you have to do.. Get that comb and fluff them so they have a winded look..

Smiggles (11:35:56 PM): But they'll distract people from my Elf ears!

Smiggles (11:37:10 PM): I think I keep having problems with my shoes because my left foot is 1/2 a size larger than my right foot. Are your feet the same size?

Smiggles (11:37:29 PM): Either that, or I walk really strangely.

The Stranger (11:38:49 PM): My feet are the same size.. But my feet are supposedly -very- small. ._.

Smiggles (11:38:57 PM): I'm small, too.

Smiggles (11:39:03 PM): This conversation suddenly just got dirty.

Smiggles (11:39:44 PM): I suppose I can try wearing different-sized shoes sometime.

Smiggles (11:40:30 PM): If they fit, I can switch them around and only have to buy one box! If another mutant with different-sized feet comes along and finds the reject-box, then everyone can win!

The Stranger (11:40:49 PM): I could wear the feet on my hands!

The Stranger (11:40:54 PM): ..I mean shoes.

Smiggles (11:40:58 PM): I think you meant feet...

Smiggles (11:41:04 PM): Although I'll let that pass.

The Stranger (11:42:18 PM): Okay.. I'm conducting an experiment where I switch certain limbs and appendages with feet, so what?! We've all done it or

	thought about it sometime in our lives!
Smiggles (11:42:51 PM):	You mean I can have more than only one set of elf ears if your experiment proves to be a success?
Smiggles (11:43:14 PM):	Oh, only feet?
The Stranger (11:43:36 PM):	I could try elf ears.. Maybe..
The Stranger (11:43:48 PM):	Where would you want said ears located, though?
Smiggles (11:43:54 PM):	Everywhere.
The Stranger (11:44:21 PM):	Can my collegues Hank Hill and Bill Cosby watch?
Smiggles (11:44:44 PM):	Wh- Why?
The Stranger (11:45:07 PM):	They like to talk about Propane flavored Pudding..
The Stranger (11:45:17 PM):	And I like to listen.
Smiggles (11:45:35 PM):	Wait a minute- Where do you find the elf ears, anyway?
Smiggles (11:45:43 PM):	Is that why Santa hasn't come in the last few years?!
The Stranger (11:46:23 PM):	Well.. Yes..
The Stranger (11:46:37 PM):	I molested Santa until he revealed the location of the North Pole..
Smiggles (11:46:51 PM):	Which... North... Pole?
The Stranger (11:46:51 PM):	His beard too.. Ever wonder why his suit is so red..?
Smiggles (11:46:55 PM):	Oh, dear.
The Stranger (11:47:01 PM):	The good one.
Smiggles (11:47:34 PM):	Well, I guess that's okay. I was always on the naughty list anyway, so I wouldn't have gotten anything good.
The Stranger (11:48:33 PM):	But he still lets you sit in his lap, right?
The Stranger (11:48:46 PM):	That's the best present of all! But last year he sat in -my- lap.
Smiggles (11:49:12 PM):	He has to. It all makes sense now. Ever since he lost his elves because of you, he has to make up for the rest of the year during Christmas when he can get access to children.
Smiggles (11:49:52 PM):	Um... Are you sure the Santa that sat on your lap was the -real- Santa?
Smiggles (11:50:09 PM):	Or was he one of those guys with the bells collecting money for the homeless?
The Stranger (11:51:14 PM):	I--Uh-oh.. He was a mall Santa that smelled of cheap whiskey and Old Spice.. He drank the cologne and dabbed the whiskey on his chest for the children!
Smiggles (11:51:35 PM):	That sounds like the real Santa, though!
The Stranger (11:52:50 PM):	But his skin was tan and he told me to call him 'Uncle Antoine'.
Smiggles (11:53:46 PM):	I'm...
Smiggles (11:54:17 PM):	I'm not sure why you let him sit on your lap if he wasn't the real santa and did things like drink cologne and dabbed whiskey on himself for the children.
The Stranger (11:54:46 PM):	Because he promised me a sack--...
The Stranger (11:54:59 PM):	Not like that!
Smiggles (11:55:10 PM):	There are so many ways it could be "Not like that!"
The Stranger (11:56:16 PM):	I--Er.. Uh--I mean!
Smiggles (11:56:22 PM):	It's okay. I understand.
Smiggles (11:56:49 PM):	I was painted and searched for eggs with the Easter Hamster.

Smiggles (11:57:10 PM):	So I recognize the potential appeal of 'Uncle Antoine'.
Smiggles (11:57:16 PM):	I mean-
Smiggles (11:57:23 PM):	I painted and searched for eggs!
The Stranger (11:58:20 PM):	His tan made me want to.. Do some things.. Unspeakable things to his beard.
Smiggles (11:58:49 PM):	It was the whiskey. He took advantage of you!
Sunday, December 12, 2010	
The Stranger (12:00:04 AM):	He made me give him a cavity search!
The Stranger (12:00:16 AM):	But he had only a couple of fillings.
Smiggles (12:00:29 AM):	It must have been from all the Christmas candy.
The Stranger (12:01:00 AM):	It probably was.. And in the process he made me..
The Stranger (12:01:14 AM):	He made me talk dirty to him about pudding.. :'(
Smiggles (12:02:10 AM):	"He"?
Smiggles (12:02:21 AM):	Was Bill Cosby watching the whole time, ordering you what to do along with The Uncle?
The Stranger (12:03:00 AM):	Yes.. Bill Cosby made me look at his Pokemon collection in Heart Gold and then Soul Silver.. And I don't even like Pokemon that much!
The Stranger (12:03:17 AM):	And I made the exact face as my icon!
Smiggles (12:03:43 AM):	That's horrible! Will you feel better if I send the Easter Hamster over to cheer you up?
The Stranger (12:04:20 AM):	He'll just want to take advantage of me.. Like Pudding Pops and Uncle Antoine.
Smiggles (12:04:36 AM):	But you'll enjoy it. It's a giant hamster!
The Stranger (12:05:45 AM):	But what happens if Chris Hansen watches and tries to control himself from pleasuring his sandwich?
Smiggles (12:06:21 AM):	You already have experience with Bill watching you, so it should be more pleasant this time.
Smiggles (12:06:31 AM):	In fact, I'm sending the hamster and Chris over right now.
Smiggles (12:06:45 AM):	Just as a heads-up, he likes to be called Alfonso and have his tummy rubbed.
The Stranger (12:06:56 AM):	Chris or the hamster?
Smiggles (12:07:07 AM):	I'll leave that up to you.
The Stranger (12:07:42 AM):	Oh.. Dear!
Smiggles (12:08:22 AM):	Woah. Christmas isn't even in two weeks.
Smiggles (12:08:43 AM):	This year seemed to go by quickly.
The Stranger (12:09:38 AM):	It did.. It's been wild.
The Stranger (12:09:58 AM):	Random.. But I just remembered something I did yesterday you may get a kick out of..
The Stranger (12:10:18 AM):	Do you know the store chain Abercrombie and Fitch?
Smiggles (12:10:32 AM):	Yes. Christopher Elf dances there with me occasionally.
The Stranger (12:14:10 AM):	Well.. There's one by where I live.. And I was with my friend who I always talk to on the phone, Omari.. So.. The girl he's dating says "I dare you to do what you did in Gamestop." Freezeframe, before I continue this is what I did at Gamestop, I walked in, with my jacket over my shoulder like a model, my hat was in my pocket and I walked to the Cash Register, didn't say anything walked away and said "You know I look good." So I went with it.. Anyway.. I told them to go in first and I'll go after them in about thirty seconds or a minute.. So I go in.. Jacket over my shoulder.. And go to the first person that works there I see.. "You lookin' for models?" He didn't hear me over the music.. "What?" So I repeated myself.. "Yeah, what's up?" He said, and I just turned around and walked out without saying a word.

The Stranger (12:14:13 AM):	Wall of text.
Smiggles (12:15:07 AM):	Sassy!
Smiggles (12:15:33 AM):	I would love to see something like that when I just happen to be somewhere.
The Stranger (12:16:35 AM):	I felt -very- awkward.
The Stranger (12:17:30 AM):	What's even worse.. My shirt was a little tight so my non-beer-made beer gut was showing. :-[
Smiggles (12:18:06 AM):	Did you excite anyone with your modeling-charms?
The Stranger (12:18:28 AM):	I did not, sadly.
Smiggles (12:18:48 AM):	I think he was just pretending to not hear you because he wanted more time to talk to you.
The Stranger (12:19:32 AM):	Then he would've done the right thing and chased after me instead of letting me walk out of that cologne scented store into the night.
Smiggles (12:20:05 AM):	You made him nervous. He didn't know what to do and froze.
Smiggles (12:21:06 AM):	That reminds me. I need to find a good park where I can sing the "Don't Talk to Strangers!" song.
Smiggles (12:22:06 AM):	Or maybe I should just sing it while walking through a crowd anywhere.
The Stranger (12:22:32 AM):	Speaking of Stranger Danger..
The Stranger (12:22:59 AM):	http://www.youtube.com/watch?v=7BfsNeP_CGw
Smiggles (12:25:26 AM):	Someday I want to see that.
Smiggles (12:25:43 AM):	Screaming children taped/tied all over a vehicle.
The Stranger (12:25:50 AM):	Me too.
Smiggles (12:27:08 AM):	Have you ever seen Boys Beware?
The Stranger (12:27:17 AM):	I have not.
The Stranger (12:28:29 AM):	I just looked it up on Youtube..
Smiggles (12:28:44 AM):	http://www.dailymotion.com/video/x1ysca_boys-beware_shortfilms
Smiggles (12:28:48 AM):	There's the full one.
Smiggles (12:29:46 AM):	saw a car once which looked similar to Ralph's, and the driver looked -exactly- like him.
Smiggles (12:29:49 AM):	*I saw
The Stranger (12:35:45 AM):	Blargh, loading.
The Stranger (12:35:56 AM):	Jimmy had done -it- a hundred times..
Smiggles (12:36:16 AM):	No wonder...
The Stranger (12:36:51 AM):	They meant him being in his room.. Reading National Geographic..
The Stranger (12:37:06 AM):	Playing the trumpet.. If you catch my drift.
Smiggles (12:37:16 AM):	I know exactly what you mean.
Smiggles (12:37:21 AM):	http://www.youtube.com/watch?v=obiDOc2kM5Q
The Stranger (12:39:07 AM):	...Oh come on, -all- children if given the opportunity would've looked instead of what Marty did!
Smiggles (12:39:39 AM):	Don't be too hard on him. Marty leads a difficult life. Sometimes his emotions get muddled because of it.
Smiggles (12:39:55 AM):	And on another note, is this... 'Uncle Antoine'?
Smiggles (12:40:00 AM):	http://www.youtube.com/watch?v=GIIEX4PTwbs
The Stranger (12:40:50 AM):	It looks -exactly- like him..

The Stranger (12:40:58 AM):	The man in the white suit!
The Stranger (12:41:03 AM):	White white hair!
Smiggles (12:43:25 AM):	cringevenom has a horrifying channel.
Smiggles (12:43:31 AM):	http://www.youtube.com/watch?v=WeJ8-vCh4LA
Smiggles (12:44:38 AM):	Oh, dear...
Smiggles (12:44:38 AM):	http://www.youtube.com/watch?v=LS86u5p0jVk
The Stranger (12:50:06 AM):	"He didn't realize until it was too late he was riding in the shadow of death.."
Smiggles (12:50:49 AM):	The narrator sounded somewhat excited about the entire concept.
The Stranger (12:51:15 AM):	He's obviously aroused.. You can tell.
The Stranger (12:52:46 AM):	Why do they act as if us homosexuals--I mean.. Homosexuals are molesters?!
Smiggles (12:53:12 AM):	Because we make it too obvious. We- I mean, they, have to make it more subtle.
The Stranger (12:55:53 AM):	Yes we--They do..
Smiggles (12:56:32 AM):	My wound from my duel with Brother Louie has made me tired.
Smiggles (12:57:00 AM):	I'm going to sleep. I wonder what kind of dreams the cringevenom videos will give to me.
The Stranger (12:57:09 AM):	Will I see you tomorrow?
Smiggles (12:57:26 AM):	Assuming puppets don't kidnap me in the middle of the night, yes.
Smiggles (12:58:48 AM):	I have to pull the plug before I see any more of these.
Smiggles (12:58:51 AM):	Good night.
The Stranger (12:58:56 AM):	Good night!
Smiggles (10:32:44 PM):	Does your body ever coerce you into sleeping all day by giving you exciting dreams?
The Stranger (10:33:39 PM):	Once or twice, but not all day, maybe for an extra hour or two.
The Stranger (10:35:09 PM):	So how are you?
The Stranger (10:35:24 PM):	Also that clown video you sent me was.. Creepy..
Smiggles (10:36:35 PM):	I'd be taking a shower right now, but, uh, I faint very easily when thinking of most biological topics. So I'm sitting on the floor right now. Results from a blood test I took last week indicate that I have "abnormal hepatic enzymes" and I'm trying to find out on the internet what something that vague means.
Smiggles (10:39:28 PM):	It doesn't give me any extra information or units. A note which came with the results only says "Liver test slightly elevated", and it gives "790.5" without units.
Smiggles (10:39:42 PM):	I'm apparently supposed to be retested tomorrow. Maybe...
Smiggles (10:39:52 PM):	Maybe the doctor loves me and just wants another chance to see me again.
The Stranger (10:40:58 PM):	You know how those doctors get attached to their patients easily! Especially ones as likeable as you.
Smiggles (10:41:07 PM):	Of course!
Smiggles (10:41:17 PM):	He -did- say that my cholesterol was "Excellent"...
Smiggles (10:41:25 PM):	Wait a minute- The back of this note says I have lovely eyes!
The Stranger (10:41:36 PM):	Does it have a phone number?!
Smiggles (10:41:40 PM):	Multiple!
The Stranger (10:42:23 PM):	Quick, you need to call him back! You can even borrow my high heels--Er.. I mean.. My sister's.. Heels.. Right.. That's what I meant..

Smiggles (10:42:44 PM): Do you have a miniskirt?
Smiggles (10:42:49 PM): I mean, your sister?
The Stranger (10:43:10 PM): Yes I do.--I mean she does.
Smiggles (10:43:33 PM): Thanks. I'll let you borrow my makeup sometime.
Smiggles (10:43:38 PM): I mean-
Smiggles (10:43:43 PM): My grandmother's makeup.
The Stranger (10:46:30 PM): Just like you can borrow my candy cane flavored mascara.
The Stranger (10:46:42 PM): --Er.. My mother's.. Candy cane flavored.. Mascara..
Smiggles (10:47:10 PM): Hey, that's -my- candy cane flavored mascara! You said you couldn't return it because you lost it!
Smiggles (10:47:17 PM): Oh, is it peppermint or cherry?
The Stranger (10:47:44 PM): Peppermint.
The Stranger (10:47:55 PM): And in truth.. I ate your mascara.
Smiggles (10:48:34 PM): I'd be okay with that but Santa doesn't bring me any anymore. Where am I supposed to find more?
The Stranger (10:49:18 PM): Call him! He told me he misses your cookies.
Smiggles (10:49:47 PM): That explains it! I've been eating the cookies myself before Christmas Eve every year.
The Stranger (10:51:33 PM): That's why he hasn't visited lately.. And when he visits tell him to make me stop calling him Uncle Antoine.
Smiggles (11:12:13 PM): I couldn't find anything out about it. I'll have to wait 16 hours before I get any more information. This must be why my eyebrows are missing. :-(
The Stranger (11:12:37 PM): :-[I'll loan you mine if I have to!
Smiggles (11:12:44 PM): I only need one.
The Stranger (11:12:57 PM): I have a unibrow, will that work?
Smiggles (11:13:06 PM): Possibly.
Smiggles (11:14:32 PM): I wouldn't care if a note had been sent saying "YOU HAVE AIDS" in red ink, because that would be straightforward. I have no idea what this means, though.
The Stranger (11:15:04 PM): Neither do I.
Smiggles (11:15:33 PM): Maybe Uncle Antoine knows. All of that whiskey must have caused -something- to go wrong with his liver.
The Stranger (11:16:26 PM): Does this mean that.. Santa Antoine's Liver will never.. You know..
The Stranger (11:17:28 PM): http://www.youtube.com/watch?v=8rHNKx8bwIM Santa Antoine just told me his liver will never meet a nice girl liver because he rubs whiskey on his skin and drinks cologne.
The Stranger (11:17:52 PM): I don't know why I linked this.. I'm just obsessed with Beavis and Butthead lately.
Smiggles (11:18:24 PM): Of course he'll meet nice girl livers! They'll just be younger than 5.
The Stranger (11:19:10 PM): I see! But won't he get arrested?!
Smiggles (11:19:30 PM): No. He's terminally ill, so the police pity him.
The Stranger (11:19:46 PM): And what about Chris Hansen?
Smiggles (11:19:54 PM): They're one in the same.
Smiggles (11:20:15 PM): I'm sorry you had to find out this way.
The Stranger (11:20:36 PM): I just.. I can't.. I can't accept this..
Smiggles (11:20:50 PM): Calm down. Why don't you have a seat?

The Stranger (11:21:01 PM): No! I won't go down like this!
SixteenBitElder went idle at 11:38:02 PM
SixteenBitElder came back from idle at 11:43:12 PM
Monday, December 13, 2010
The Stranger (1:36:18 AM): *Eats a sanwich very seductively somehow*
The Stranger (1:36:22 AM): *Sandwich, too.
Smiggles (1:36:42 AM): What kind?
The Stranger (1:37:18 AM): Turkey.
The Stranger (1:43:07 AM): Good night.
Smiggles (1:43:12 AM): Good night.
The Stranger (1:43:28 AM): I'm tired because Bill Cosby keeps stealing my pudding and I have to defend my stash.
SixteenBitElder signed off at 1:43:35 AM
Smiggles (4:40:21 PM): I went to see the doctor...
The Stranger (4:40:47 PM): What happened?
Smiggles (4:41:20 PM): He said that the only reason I was informed of the hepatic enzymes was because they were so slightly above normal that he had to inform me, and that I'll get it retested and it will likely not be anything problematic.
Smiggles (4:41:32 PM): And he kept saying how "amazing" my cholesterol was. And...
Smiggles (4:41:50 PM): He gave me a partial physical. The only portion he gave was bits that required him pressing on me tenderly.
Smiggles (4:41:57 PM): I think he's in love with me.
The Stranger (4:42:54 PM): Tell him that his "colesterol" is "amazing" too, and press on him tenderly, and wear those heels I lent you! Strut it.
Smiggles (4:43:25 PM): Good idea! He must be in his fifties. I'm sure he's accrued quite the retirement fund...
Smiggles (4:43:50 PM): All I have to do is get married and divorce him, and I can move to the Carribean!
The Stranger (4:44:05 PM): But don't you love him back?!
Smiggles (4:44:20 PM): I'm afraid of my feelings. I can't get too attached.
The Stranger (4:44:37 PM): Tell him you wish to be his stethoscope.. For life!
Smiggles (4:44:47 PM): But what if he only loves me for my cholesterol, and not for me?
Smiggles (4:45:29 PM): I want his full heart and soul to be in the act when he cannibalizes me. If he's only in it because of the cholesterol, my heart will be broken again.
The Stranger (4:46:24 PM): You have to ask him.. And if he's truthful, he won't give you any exams that require him to touch you on your legs.
Smiggles (4:46:56 PM): I'm afraid. I need time to think this out.
The Stranger (4:47:33 PM): Also.. You have to tell Uncle Antoine to get out of your life if he can't accept this.
Smiggles (4:47:47 PM): You're right. He's probably why my liver is messed up.
Smiggles (4:47:54 PM): I've had enough of his shenanigans.
Smiggles (4:48:19 PM): This reminds me. Have you seen Troll 2?
The Stranger (4:48:35 PM): I haven't, didn't that movie come out in the 80's?
Smiggles (4:48:49 PM): What have you heard about it?
The Stranger (4:49:12 PM): That it's about a troll whom terrorizes people and the like.
That's Troll 1.

Smiggles (4:49:21 PM):

The Stranger (4:49:27 PM): And Troll 2?

Smiggles (4:50:02 PM): Troll 2 has nothing to do with the first one. I suspected you had seen it because it's widely considered to be the "best worst movie".

Smiggles (4:50:10 PM): It's hilarious. You should see it.

Smiggles (4:50:45 PM): I mean that a lot of people on the internet consider it to be that. I don't know how well-known it is offline.

The Stranger (4:52:52 PM): I'll check it out some day.

The Stranger (4:53:20 PM): Isn't the best worst movie "Plan 9 From Outer Space" by Edward T. Wood?

Smiggles (5:00:05 PM): I'm back. I felt a sudden primal urge to apply makeup to express my femininity.

Smiggles (5:00:26 PM): Plan 9 From Outer Space is in a different "best worst" category, sort of.

The Stranger (5:00:34 PM): Ooo.. Sassy!

The Stranger (5:00:43 PM): Just like me wearing an edible bra.

Smiggles (5:01:00 PM): Does The Uncle make you wear them?

Smiggles (5:01:25 PM): Oh dear... Don't tell me Bill Cosby's the one.

The Stranger (5:01:55 PM): Bill Cosby.. He eats them.

Smiggles (5:02:18 PM): I'll be right back. I need to take this makeup off. I'm not in the mood anymore...

The Stranger (5:05:53 PM): I take it your make-up was pudding pop flavored.. It'd be wise before The Cos makes you call him "The Cos" as he does with me.

The Stranger (5:48:51 PM): My laptop got crazy for a second.

SixteenBitElder signed off at 6:09:28 PM

Smiggles (6:13:09 PM): I just got back! Don't leave me alone with you-know-who!

Tuesday, December 14, 2010

The Stranger (11:01:44 AM): I'm sorry! My laptop turned off and I went to take a nap! Did The Cos touch you?!

Smiggles (11:17:14 PM): Worse. http://www.youtube.com/watch?v=vDgEplvXsyA

Friday, December 17, 2010

The Stranger (8:34:14 AM): He was the man who saw me fondling myself in the woods.. And tried to touch me.

The Stranger (8:34:16 AM): :-[

SixteenBitElder came back from idle at 8:09:40 PM

The Stranger (8:11:03 PM): I love this pudding matrix of life.

Smiggles (8:16:31 PM): I just got to my computer right now after having a nap.

The Stranger (8:16:43 PM): Welcome back.

Smiggles (8:17:18 PM): I intended on going to tango with Christopher Elf, but I think I need to go back to sleep. I must be still half-asleep.

The Stranger (8:18:39 PM): Will I see you later?

Smiggles (8:21:22 PM): Maybe I'll be back within a few hours. I'm really disoriented right now. I think a week of skipping every other night of sleep has caught up to me. I'm never going to do that again.

The Stranger (8:22:42 PM): Alrighty, good norning!

Saturday, December 18, 2010

Smiggles (1:15:32 PM):	I'm feeling infinitely better now.
The Stranger (1:21:21 PM):	Good to know! Sorry for the late response, after catching up with your resting did you go dancing with Christopher Elf?
Smiggles (1:25:57 PM):	I didn't notice you responded.
Smiggles (1:26:34 PM):	He was pissed. I found 15 messages on my phone with "Come on, dance with me! Dance with me!" and him singing that song.
Smiggles (1:26:50 PM):	I should have told him that I wouldn't be coming.
The Stranger (1:27:07 PM):	In all our friendship I have never heard you say "Pissed" I can't help but giggle. ._.;
Smiggles (1:28:23 PM):	I was surprised at how exhausted I was yesterday. I had all sorts of strange thoughts.
Smiggles (1:29:36 PM):	Anyway, after I waddled away from my computer, I set my alarm clock for an hour ahead. I had to go somewhere in the morning and I didn't want to oversleep, so I planned on setting it each hour until I felt I had slept enough.
Smiggles (1:30:17 PM):	I woke up and reset it several times but forgot to reset it the last time. I woke up within one minute of the hour mark anyway. Are you ever able to do that?
Smiggles (1:30:47 PM):	Now I want to try testing out waking up at certain times and see if it can be done more effectively than relying on an alarm clock to shock me awake.
Smiggles (1:30:56 PM):	*testing it out
The Stranger (1:31:46 PM):	I suggest drinking alot of water before sleeping.. That usually works for me, just a suggestion though!
Smiggles (1:32:20 PM):	Of course! I'm supposed to drink -water-, not gin. It all makes sense now.
Smiggles (1:35:24 PM):	I don't know why I didn't just set it a few hours ahead instead of waking myself up every hour. At least now I know that my sleep schedule isn't beyond repair.
Smiggles (1:35:33 PM):	Other than electroshock therapy.
Smiggles (1:36:30 PM):	Curses! I'm not making any sense. I'm getting tired again.
Smiggles (1:37:03 PM):	One of my dreams last night was Gundam 0080-related. My mind must be commanding me to watch it again since it's almost Christmas. Have you ever seen it?
The Stranger (1:38:17 PM):	No, I haven't.
The Stranger (1:38:34 PM):	I looked up Troll 2.. Really.. Goblins? :-[
Smiggles (1:38:38 PM):	:-(
The Stranger (1:38:38 PM):	Anyway!
The Stranger (1:38:47 PM):	Tell me about Gundam 0080.
Smiggles (1:40:58 PM):	I first saw it in 2001. My nine-year-old mind was blown away because I hadn't seen anything like it before. It wasn't like the typical undefeatable-heroes-versus-the-bad-guys and it was depressing.
Smiggles (1:41:18 PM):	It's only six episodes long. You should see it.
Smiggles (1:42:36 PM):	It's on YouTube, but in the horrible English dub. I wish all translations were as good as Cromartie High School's.
Smiggles (1:42:50 PM):	If you want to see it, I can transfer the files to you/
The Stranger (1:43:32 PM):	I'll look for subs on Youtube, if I can't find them I'll tell you.
Smiggles (1:44:41 PM):	If you do end up watching it, don't spoil it by looking anything up.
The Stranger (1:45:07 PM):	Okay.
Smiggles (1:46:27 PM):	It's probably not nearly as amazing as I imagine it to be because I'm heavily biased from when I first saw it, but I still think you'd like it. What's your favorite movie genre?

Smiggles (1:49:26 PM):	
The Stranger (1:49:48 PM):	I have to say.. Comedy.
The Stranger (1:52:26 PM):	Yours?
Smiggles (1:56:08 PM):	Oh. I can't hear sound because my memory's depleted.
Smiggles (1:56:22 PM):	My computer's, not mine. Although maybe both.
Smiggles (1:57:56 PM):	Okay, it's fine now. I really need to reformat my computer.
Smiggles (1:58:50 PM):	Anyway, I'm obsessed with obscure horror movies from the 1970s and 1980s.
Smiggles (1:59:20 PM):	Not meaning slashers or exploitation ones, but more like macabre dramas.
The Stranger (2:00:27 PM):	So.. Troll the original, things such as that?
Smiggles (2:01:52 PM):	Not really. I'll try thinking of some examples.
Smiggles (2:09:06 PM):	I can't think of any which you'd know if you aren't already obsessed with the genre. I can suggest several which are the kind I'm talking about for if you ever want to see them.
The Stranger (2:09:43 PM):	I'm not much for horror personally, but I appreciate the offer.
Smiggles (2:10:04 PM):	What do you mean when you say "horror"?
The Stranger (2:10:33 PM):	Anything with a character stabbing/killing people.
Smiggles (2:14:04 PM):	Like Friday the 13th/Texas Chainsaw Massacre/Saw/whatever-else-there-is?
The Stranger (2:14:12 PM):	Yes.
Smiggles (2:14:49 PM):	That's not the kind I mean. I don't like that type, either.
Smiggles (2:15:45 PM):	I actually don't think I've even seen those three, but if you've seen on type of slasher, you've seen them all anyway.
Smiggles (2:17:14 PM):	I'm sorry about typing so incoherently and slowly. I'm feeling muddled right now.
The Stranger (2:17:24 PM):	Go to bed.
The Stranger (2:17:51 PM):	Er.. Take a nap.
Smiggles (2:18:43 PM):	I should. I feel bad about blowing off Christopher Elf yesterday. It would be a shame if I disappointed Brother Louie tonight, too.
The Stranger (2:19:30 PM):	Their hair and elf ears will love your pants.
Smiggles (2:20:10 PM):	The only one that's coming to mind right now as a representation of the kind of movie I mean is Willard from 1971. I don't know if you'd like it, so I'm not actually recommending it, but you should see it if you're ever curious. It's on YouTube.
Smiggles (2:20:23 PM):	Brother Louie's or Christoper Elf's?
The Stranger (2:20:33 PM):	Both and I've heard of it.
Smiggles (2:20:40 PM):	You have?
The Stranger (2:21:18 PM):	Yes, it's about a boy who has an army of rats or something like that.
Smiggles (2:27:39 PM):	It's not actually a good representation because it doesn't evoke a depressing, coherently structured yet surreal, and perfunctory atmosphere the way the others do, which is integrally important to what I mean; but it's similar and structured in a way which isn't isn't boring the way the other ones probably would be to everyone.
Smiggles (2:27:49 PM):	I'm not making any sense.
Smiggles (2:29:04 PM):	I've never actually found one which was made as effectively as it could be, but I'll throw out several names and just go to sleep before I ramble any more.
Smiggles (2:34:28 PM):	A combination of certain aspects of Messiah of Evil and Don't Go in the House are what I can think of right now. Anyway, I'm going to sleep.

Monday, December 20, 2010

Smiggles (10:57:21 PM):	Have you seen the moon?
The Stranger (10:57:46 PM):	No, what happened? Isn't it a night eclipse?
Smiggles (10:58:05 PM):	Yes.
Smiggles (11:00:45 PM):	I'm going to sleep. You should look outside if you can. There was the best lunar halo I've ever seen about 30 minutes ago.
The Stranger (11:01:04 PM):	Wow.
Thursday, December 30, 2010	
Smiggles (1:04:41 AM):	My legs are going to need to be amputated.
The Stranger (1:05:28 AM):	Why?
Smiggles (1:05:31 AM):	I blame El DeBarge. He kept shouting, "Dance the whole night away!"
The Stranger (1:05:53 AM):	In the snow? That evil perfectly hairstyled maniac!
Smiggles (1:06:03 AM):	He was just too lovely to resist.
Smiggles (1:06:20 AM):	At least it was better than having Christopher Elf shout, "Come on, dance with me! Dance with me!"
The Stranger (1:07:05 AM):	Christopher Elf tackled me and pelted me with Snowballs, and I cried a little.
Smiggles (1:07:16 AM):	Did you dance with him beforehand?
The Stranger (1:07:24 AM):	No, I refused.
Smiggles (1:07:32 AM):	Then that's what you get, killjoy.
The Stranger (1:08:06 AM):	But my legs hurt! I didn't want to dance!
Smiggles (1:08:53 AM):	Did you at least offer to listen to him talk about Harry Potter the Christmas Elf?
The Stranger (1:09:31 AM):	No, but he did tell me about elves wearing top hats, which I didn'r care much for.
The Stranger (1:09:40 AM):	*Didn't
Smiggles (1:09:52 AM):	I'll ask him about those elves. Here's this one, in case you're curious.
Smiggles (1:09:53 AM):	http://www.youtube.com/watch?v=ml6H_77MlbM
Smiggles (1:10:04 AM):	Although maybe it would be better to go through the pain of dancing, instead...
The Stranger (1:11:43 AM):	I didn't know Harry Potter watched me sleeping at night.
Smiggles (1:12:23 AM):	He does other things if you're awake. Remember, he comes whether you're asleep or not. Make sure you're asleep when he comes next year or else terrible things might happen.
The Stranger (1:15:11 AM):	I barely heard him! My ears
The Stranger (1:15:12 AM):	*!
Smiggles (1:15:24 AM):	You aren't wearing your Elf ears. That's why.
The Stranger (1:17:30 AM):	I saw him dancing again.. I am confused.
Smiggles (1:17:52 AM):	Harry Potter the Christmas Elf?
The Stranger (1:18:54 AM):	No, Christopher Elf.. I don't want to imagine Harry Potter the Christmas Elf dancing--I just did.
Smiggles (1:19:36 AM):	All of this is going to give me nightmares tonight.
Smiggles (1:20:20 AM):	I'm going to sleep. I'm exhausted; I've never "Dance(d) the whole night away" for so long before.
The Stranger (1:20:52 AM):	Okay, take care, will I see you before the world ends?
Smiggles (1:21:19 AM):	I'll be on tomorrow.
Smiggles (1:21:25 AM):	Good night.

The Stranger (1:21:36 AM):	Good night!
The Stranger (7:41:54 PM):	Hello, how're you?
Smiggles (7:41:59 PM):	Tired and sore.
Smiggles (7:42:15 PM):	Doesn't it seem like I'm tired or sore every time I speak to you?
The Stranger (7:42:58 PM):	Not until you tell me, you usually seem absurdly calm, like.. The world could end and you'd just shrug, I mean that in the best possible way.
Smiggles (7:43:15 PM):	It's probably true.
Smiggles (7:43:57 PM):	Do you want to try out Operation7?
The Stranger (7:44:21 PM):	Sure.
Smiggles (7:44:36 PM):	Is that another picture of the polar bear?
Smiggles (7:44:49 PM):	It took me long enough to see it last time. It will take even longer with this one.
The Stranger (7:45:00 PM):	I--It's Kelly Bundy.
The Stranger (7:45:45 PM):	From Married with Children.
Smiggles (7:46:48 PM):	You have to register on the left side of the screen first.
Smiggles (7:46:48 PM):	http://op7.netgame.com/support/download/
Smiggles (7:47:08 PM):	I've never seen Married with Children. Is it one of your favorite shows?
The Stranger (7:47:16 PM):	It is.
Smiggles (7:47:25 PM):	Who was in the other picture you had earlier?
The Stranger (7:48:03 PM):	Hank Hill.--Wait from Married With Children? Steve Rhoades' their neighbor.
Smiggles (7:48:24 PM):	I
Smiggles (7:48:31 PM):	I'd feel uncomfortable if he was my neighbor.
Smiggles (7:48:48 PM):	I have a new keyboard. :-(
Smiggles (7:49:56 PM):	My last one became really awkward. I had to balance it on my knee and position the cord in a certain way for it to respond. Then it completely died, so I had to get another. This one's smaller.
The Stranger (7:50:25 PM):	Neighbors or keyboards? :-[
Smiggles (7:50:31 PM):	Um, uh-
Smiggles (7:50:42 PM):	S- So how's that registration going?...
The Stranger (7:51:45 PM):	Er.. G-Good.
The Stranger (7:56:30 PM):	Installin'.
The Stranger (8:12:21 PM):	Long installation.
The Stranger (8:12:30 PM):	I wanna play already! *Hank Hill voice*
Smiggles (8:13:10 PM):	It's a fun game to play casually in pistols-only mode. I'll show you when you eventually finish.
Smiggles (8:13:29 PM):	And I'll explain some of the weird/unique aspects of it, too.
The Stranger (8:13:38 PM):	Oooo! I'm excited!
The Stranger (8:13:45 PM):	That sounded wrong.
Smiggles (8:14:46 PM):	The entire game is sort of comical. For whatever reason, a lot of first-person-shooters take themselves really seriously. This one has an announcer who at the beginning says things like: "The mission is: Forget it. Just kill them all!"
The Stranger (8:15:05 PM):	I like it already.

Smiggles (8:15:10 PM):	And it's translated really horrible from Korean.
Smiggles (8:15:13 PM):	*horribly
The Stranger (8:16:20 PM):	Is xFire require?
The Stranger (8:16:23 PM):	*Required
Smiggles (8:16:31 PM):	No.
The Stranger (8:19:31 PM):	I think I did something wrong.
The Stranger (8:20:03 PM):	Is it a Browser game? When I double-click the game icon on my desktop it opens up my internet program to the Operation 7 Homepage.
Smiggles (8:20:24 PM):	Log in and click Game Start to the left.
The Stranger (8:22:20 PM):	Okay.. Alright, one second, I have firefox so it's giving me this tutorial or something like that to open it or something.
The Stranger (8:29:43 PM):	Blargh, need to download all these addons, may take a second.
The Stranger (8:41:24 PM):	Finally it started!
Smiggles (8:41:48 PM):	I don't remember what happens when you log in for the first time, so you'll have to manage that by yourself until you get to the regular screen.
The Stranger (8:42:28 PM):	Okay, it just brought me to the servers or "Channels.
The Stranger (8:42:32 PM):	*"Channels"
The Stranger (8:42:42 PM):	There's Beginner, America and..
Smiggles (8:42:53 PM):	Go to Beginner.
The Stranger (8:43:11 PM):	Clan and alrighty.
Smiggles (8:43:24 PM):	Even though I'm too high of a rank, I deliberately stay below a 1.0 kill/death ratio, which allows me to stay there. I'll make a room called "Go Gnome or go home!"
Smiggles (8:43:31 PM):	The password will be "hamster".
Smiggles (8:44:47 PM):	Okay.
Smiggles (8:46:48 PM):	Was that you?
Smiggles (8:47:19 PM):	That's weird. Someone entered my room.
Smiggles (8:49:52 PM):	I guess you chose to go home. :-(
The Stranger (8:51:23 PM):	Woah, the game froze on me. :-[
The Stranger (8:51:54 PM):	Okay, I'm coming back.
Smiggles (8:52:04 PM):	Oh.
The Stranger (8:52:07 PM):	I never made it in your room, sadly. :-[
Smiggles (8:52:12 PM):	Did you click on one of those icons?
Smiggles (8:53:28 PM):	Those gift-related ones.
The Stranger (8:53:29 PM):	No, I only made it to avatar creation.
Smiggles (8:54:07 PM):	When you do make it in, don't click on the gift-related ones. Koreans hate the Christmas spirit, and it will freeze. :-(
The Stranger (8:54:25 PM):	:-[
The Stranger (8:56:45 PM):	I'm heeeeere!
The Stranger (9:49:54 PM):	Disconnected, coming back.
Smiggles (9:50:18 PM):	You're just bitter because I beat you to death with a smoke grenade.

The Stranger (9:52:47 PM): That map seems to freeze the game for me.
Smiggles (9:53:25 PM): Do you want to try a different one?
The Stranger (9:54:04 PM): Yeah.
Smiggles (10:21:50 PM): I'
Smiggles (10:21:52 PM): Not again!
Smiggles (10:22:01 PM): I'm going to sleep.
The Stranger (10:22:41 PM): Alrighty, will you be on tomorrow?
Smiggles (10:23:02 PM): Yes, and probably earlier than today since I won't be sleeping for over 12 hours.
Smiggles (10:23:32 PM): I think this game is sort of cool to play occasionally because of how realistic it is compared to others. Many of them seem very artificial.
The Stranger (10:23:56 PM): Alrighty take care and good night! :] I will continue playing, I wanna own every article of clothing in this game of every color.
Smiggles (10:24:09 PM): That's kind of creepy.
The Stranger (10:24:22 PM): So I can roll around naked on them--I mean wear them.
Smiggles (10:24:34 PM): They expire after a period of time, though.
Smiggles (10:24:40 PM): So you'll be naked sooner than you anticipate. :-(
The Stranger (10:24:45 PM): :-[
Smiggles (10:24:53 PM): It's three days by default.
Smiggles (10:26:57 PM): Good luck in all of your catwalk ambitions.
The Stranger (10:27:21 PM): Good luck in not getting kidnapped by puppets!
Smiggles (10:27:34 PM): Just when I thought I had forgotten about them...
The Stranger (10:27:42 PM): I--Sorry.
Smiggles (10:27:52 PM): Now I'm going to have to compulsively watch several before falling asleep. It's sort of cathartic.

Friday, December 31, 2010

Smiggles (7:40:41 PM): I'm still sore, so I have an excuse to tell Christopher Elf to leave me alone tonight!
The Stranger (7:42:01 PM): You need to tell him to stop forcing you to dance, he called me last and I danced until my feet became bloody stumps.. Even then I -still- had to dance.. He also forced me to wear elf ears and he called me "Harry Potter The Christmas Elf". :-[
Smiggles (7:42:21 PM): I asked him to do all that. I thought you'd enjoy it.
The Stranger (7:42:42 PM): I didn't though! I.. I had to replace my feet with top hats!
Smiggles (7:43:17 PM): I'm sorry. I won't do it again.
The Stranger (7:43:42 PM): It wasn't right, I never felt so violated in my life.
Smiggles (7:44:00 PM): At least you can hide your shame in style now that you have those top hats.
The Stranger (7:44:35 PM): Well, that's true--WAIT A MINUTE! But I can't walk right!--Nevermind.
Smiggles (7:45:20 PM): Uh oh. He might ask you to break dance. I didn't consider that possibility.
Smiggles (7:45:34 PM): I guess I'll have to call him and tell him to leave you alone.
The Stranger (7:45:49 PM): No no.. I'll tell him, I need to be a man about this.
Smiggles (7:46:02 PM): Tell him that I'm too intimidated to tell him that I won't be dancing tonight.
The Stranger (7:46:35 PM): Won't he hide in your Closet and burst into your room when you're sleeping?
He did that to me.

The Stranger (7:46:39 PM):	
Smiggles (7:46:44 PM):	That's what you do to me.
The Stranger (7:46:56 PM):	I--I'm sorry, you know I get lonely.
Smiggles (7:47:16 PM):	Which is why I even asked Christopher Elf to go over and dance with you in the first place. I'm just trying to help.
The Stranger (7:47:59 PM):	But I don't like how he just jams those elf ears on my wrong end.
The Stranger (7:48:13 PM):	Under my toenails.
Smiggles (7:48:24 PM):	At least you don't have to worry about that anymore.
The Stranger (7:48:52 PM):	Honestly, the second my feet exploded into a bloody mess.. I--I.. I soiled myself.
Smiggles (7:49:15 PM):	I said I'm sorry!
Smiggles (7:49:23 PM):	Am I going to have to send Brother Louie over to cheer you up?
The Stranger (7:49:59 PM):	No! Please! Not him! He sprays hairspray all over my body! Especially my eyes!
Smiggles (7:50:13 PM):	I thought he only did that with me...
The Stranger (7:51:36 PM):	So it wasn't special for him? I'm just another notch on his bouffant?
Smiggles (7:52:03 PM):	I guess not afterall. At least El DeBarge still loves me.
The Stranger (7:52:45 PM):	He told me he loved me.. And he called me Jeff Albertson.
Smiggles (7:52:56 PM):	Who did?
The Stranger (7:53:04 PM):	El DeBarge.
Smiggles (7:53:13 PM):	I feel so violated.
The Stranger (7:53:28 PM):	Atleast those creepy clowns still love me.
Smiggles (7:53:29 PM):	At least Christopher Elf still loves me. Although I'm not sure that's actually a good thing...
The Stranger (7:53:49 PM):	It's not... Just.. Just run.
The Stranger (7:55:40 PM):	Run like Jennifer ran from Bobby in Clock Tower for the SNES.
Smiggles (7:55:52 PM):	I don't want to run in 16 bits!
The Stranger (7:56:17 PM):	You better learn how to! We're already.. Well Er.. I am.. In sixteen bit!
Smiggles (7:56:24 PM):	Oh, right.
The Stranger (7:57:35 PM):	I have sprites normal video game characters can't do! ..Such as cry myself to sleep hoping Christopher Elf and Ralph from Boys Beware don't try any funny business.
Smiggles (7:58:03 PM):	I had forgotten about Ralph...
Smiggles (7:58:22 PM):	Although I think he's the least of my problems. Look at this guy I found last night:
Smiggles (7:58:55 PM):	http://www.youtube.com/watch?v=_QzXY_Tfybc
The Stranger (8:01:15 PM):	Dear lord.. I'm still watching this horrifying video.
The Stranger (8:01:32 PM):	What kind of Cringe Venom underworld did you get me into?
Smiggles (8:01:40 PM):	Now you understand my pain.
The Stranger (8:01:58 PM):	What's this about Homosexual Puppets?
Smiggles (8:02:31 PM):	Which ones?
The Stranger (8:03:35 PM):	The ones in the related video to Tap Your Head.
The Stranger (8:03:59 PM):	It's called "Homosexual Christian Puppets".

Smiggles (8:04:04 PM): Oh, those two. They're surprisingly tame considering that other kinds of things you can find here.
Smiggles (8:04:32 PM): They're cheap knock-offs of Bert and Ernie. Or maybe they -are- Bert and Ernie in disguise...
The Stranger (8:04:47 PM): They were fondling eachother under the table..
Smiggles (8:05:44 PM): That's completely normal.
The Stranger (8:05:58 PM): How so??
The Stranger (8:08:00 PM): It's unnatural as all those 1950's propaganda films told us!
Smiggles (8:08:28 PM): I think I'll let Sam explain it.
Smiggles (8:08:29 PM): http://www.youtube.com/watch?v=acvAPdOeXVA
Smiggles (8:09:20 PM): Now do you understand?
The Stranger (8:11:20 PM): He told me size doesn't matter.
Smiggles (8:11:46 PM): Sam is still my hero anyway. He's so sensitive.
Smiggles (8:11:49 PM): http://www.youtube.com/watch?v=LJ65_xaUKi4
The Stranger (8:13:06 PM): I--..
The Stranger (8:13:16 PM): The way he dabs her tears is odd..
Smiggles (8:13:27 PM): He's experienced.
The Stranger (8:14:25 PM): Experience in what?
The Stranger (8:14:39 PM): He has a 70's adult film mustache..
Smiggles (8:15:42 PM): I think I showed this one to you, but I can't stop thinking about it. Why would they choose -this- for "observing"?
Smiggles (8:15:43 PM): http://www.youtube.com/watch?v=LS86u5p0jVk
The Stranger (8:16:32 PM): ...
The Stranger (8:16:59 PM): That's the one who said "Mhm.." To me when I was changing my sock!
Smiggles (8:18:51 PM): It couldn't be. He doesn't stray far from the library. He has everything he needs right there.
Smiggles (8:18:53 PM): http://www.youtube.com/watch?v=CvG2UqWYSxo
Smiggles (8:20:42 PM): Out & About is amazing. I wish I could see more of it.
Smiggles (8:20:43 PM): http://www.youtube.com/watch?v=5cqvpYUPpX0
Smiggles (8:21:01 PM): As the comments say, "God this whole show is like a kid version of Degrassi..." "But more dramatic. After this, Sarah cheats on Jason with Molly's brother and gets pregnant. Molly gets molested by Sam and Jason snorts pixie sticks in the boy's room."
The Stranger (8:22:35 PM): LOL.
Smiggles (8:29:35 PM): I'll be back in a bit.
The Stranger (8:29:43 PM): Okay.
SixteenBitElder went idle at 9:19:21 PM
SixteenBitElder came back from idle at 11:19:41 PM
The Stranger (11:26:42 PM): Sorry for the potty mouth in my status.. I just feel this way.
Saturday, January 01, 2011
Smiggles (12:00:33 AM): I saw the clock change as I was sitting in my chair. What a coincidence.
Smiggles (12:00:51 AM): In a turn-of-events which no one could have predicted, nothing changed!
Smiggles (12:01:09 AM): And profanity doesn't bother me at all. Don't apologize.

Smiggles (12:01:21 AM): I meant, as I was getting into my chair.
The Stranger (12:05:51 AM): Oh okay, all this time I have avoided swearing around you and whatnot! And Happy New Year!
The Stranger (12:06:36 AM): Would you like to play Operation 7?
Smiggles (12:06:47 AM): Okay. How do you like it?
The Stranger (12:07:26 AM): I like it alot, but I'm always dying, but oh well, still like it! "GIMME HIS HEAD JUST CUT OFF HIS HEAD GIMME HIS HEAD ON A SPIKE!"
The Stranger (12:07:44 AM): One question! Do I get gold back so I can keep "buying" items for my avatar?
The Stranger (12:08:05 AM): Well, earn.
Smiggles (12:08:20 AM): You get it each time you complete a round, and you get a bonus each time you gain a rank.
The Stranger (12:09:21 AM): Is there a way I can just click the icon on my desktop and not open the website or is it mandatory no matter what? ..Er.. Two questions.
The Stranger (12:09:27 AM): That's the final one.
Smiggles (12:09:59 AM): You have to go through the website.
The Stranger (12:38:18 AM): I need to restart my laptop, I'll be back.
Smiggles (12:38:29 AM): I see.
SixteenBitElder signed off at 12:38:36 AM
SixteenBitElder signed on at 12:41:27 AM
The Stranger (12:42:44 AM): Back.
Smiggles (12:42:58 AM): A lot of people are joining.
SixteenBitElder signed off at 12:48:49 AM
SixteenBitElder signed on at 12:49:15 AM
Smiggles (12:51:48 AM): Are you able to come?
The Stranger (12:52:00 AM): m unsure.
The Stranger (12:52:08 AM): *I'm
The Stranger (1:01:10 AM): And now it just randomly minimized on me.
Smiggles (1:01:45 AM): :-(
Smiggles (1:09:10 AM): I have to go to somewhere early in the morning.
The Stranger (1:09:34 AM): Sorry, didn't mean to keep you from sleeping and whatnot! Good night!
Smiggles (1:09:48 AM): I've been getting more than enough sleep recently.
Smiggles (12:19:19 PM): I can't believe it! I come home early and you're missing. Don't 20 years of marriage mean anything to you? I bet you're out cheating! It's Sam, isn't it?
The Stranger (3:57:31 PM): It's Sam, Aqua Man, Bat Man, Mr. Six, they make me feel like a real man.
Smiggles (3:58:10 PM): :-(
The Stranger (3:58:44 PM): Well it's true!
The Stranger (3:58:57 PM): I've faked every single Casserole I've baked.
Smiggles (3:59:10 PM): What were they really?
The Stranger (3:59:26 PM): Chocolate Pudding with ketchup on it.
Smiggles (3:59:36 PM): I don't even know you.

Smiggles (3:59:47 PM):	I'm keeping the house and the kids. You can have the pastrami collection.
The Stranger (4:00:35 PM):	No no no! I am not keeping those rotting deli meats your grandfather gave us when we were engaged! I'm keeping our son! I've been cheating on you with -him- too!
Smiggles (4:00:47 PM):	We don't have a son!
The Stranger (4:00:57 PM):	Exactly!
Smiggles (4:01:22 PM):	Don't tell me you've mistaken Jason for our child. Hasn't he been through enough, what with Sam and all?
The Stranger (4:01:56 PM):	I have indeed mistaken Jason for our son.. Sam watched and recorded us.
Smiggles (4:02:32 PM):	Then how are we going to settle this if you won't accept the pastrami?
The Stranger (4:02:50 PM):	I keep the house, you keep the kids, and the pastrami.
Smiggles (4:03:08 PM):	And I get Sam. You already have enough strange men!
The Stranger (4:03:34 PM):	Fine! But he gets to visit me on the weekends!
Smiggles (4:04:16 PM):	I can deal with that.
The Stranger (4:04:33 PM):	And I get to call him Colonel Spotz.
Smiggles (4:04:36 PM):	Now you've gone too far!
The Stranger (4:06:03 PM):	Why is that what he calls you? Like I did? >:[
Smiggles (4:06:43 PM):	Everything's always so dirty with you. Colonel Spotz was my great grandfather! It would be too awkward.
The Stranger (4:07:23 PM):	Not everything's dirty! You know I take ten showers a day and wash my hands over two hundred times a day!
Smiggles (4:08:17 PM):	And your obsessive compulsiveness doesn't stop there. I've seen your Wiggles video collection. You've recorded every episode and dubbed them in over 50 languages! When will enough be enough?!
The Stranger (4:09:19 PM):	Never! Don't you see?! I love Jeff's sweater! It's the right shade! Like you would ever see that! All you do is eat the dust off of your Charles in Charge lunchbox!
Smiggles (4:09:54 PM):	I was trying to go on a diet. I thought you'd appreciate the effort.
The Stranger (4:10:22 PM):	No! You'll always look fat in those tight jeans you wear that cut off the circulation of your legs.
Smiggles (4:10:41 PM):	Psh, like I wear pants anymore!
The Stranger (4:11:17 PM):	Exactly, like I need to see your underwear, this is why the paperboy doesn't deliver to us anymore, or anyone for that matter.
Smiggles (4:12:34 PM):	He doesn't deliver to anyone because he was kidnapped by Sam. You'd realize that if you paid attention to the kind of people you cheat on me with.
Smiggles (4:13:19 PM):	I mean, last time it was Rumpley the Clown. I told you he was bad news, but you didn't listen.
The Stranger (4:13:30 PM):	He has a motorcycle!
Smiggles (4:13:46 PM):	It's 3 inches tall and costs 25 cents!
The Stranger (4:14:30 PM):	Alot bigger than any of your cars! I mean, you own a top hat for crying out loud! It doesn't fit two people! And our house! It's a doll house!
Smiggles (4:15:03 PM):	Top hats? Don't look at me! You have top hats for legs.
The Stranger (4:15:26 PM):	If you listen I have top hats for feet! There is a difference, Tom!
Smiggles (4:16:04 PM):	And there's a difference between -just- a "doll house" and our house. We have the Barbie Dream Mansion. There was only one ever made!
Smiggles (4:16:23 PM):	I keep telling you this, but you never listen. You get bitter just because we can't fit in it.
The Stranger (4:17:26 PM):	All we do is play with our G.I. Joe Couple in there and their San Francisco dreams! You don't get it! You never will! Army men don't belong in a dream mansion!
	Well, you can keep the dolls and play with them yourself. You said you want the house, so you'll get it. I get our 30 kids and get

Smiggles (4:18:15 PM): to sell them into slavery.

The Stranger (4:19:54 PM): Fine! But don't expect me to look at you when I make the house into a--Er.. Sorry was distracted by Uncle Majic the Hip Hop magician.. I'm cheating with all the men I was cheating with you on, with him.

Smiggles (4:20:53 PM): You won't make me jealous! I have all the pastrami I'll ever want, and now that I'm not on a diet, I get to enjoy it for once.

The Stranger (4:21:08 PM): Pastrami is a fake meat anyway!

Smiggles (4:21:50 PM): And magic is just an illusion!

The Stranger (4:22:31 PM): But my casseroles with him aren't.

Smiggles (4:23:13 PM): I thought cooking casseroles was -our- special activity.

Smiggles (4:23:34 PM): I can't stand this anymore. Go frolic in your Dream Mansion! We're through!

The Stranger (4:24:15 PM): I will! I'm also keeping the Bill Cosby Tentacle Adult Anime Fun Time DVD with extra special features.

The Stranger (4:24:45 PM): Like 12 hours of Bill Cosby saying "Kodak Film".

Smiggles (4:25:22 PM): You're lying. It's not possible that something so magnificent could exist.

The Stranger (4:25:50 PM): I got it for your Birthday.. But since you found out I was cheating on you, I'm keeping it.

Smiggles (4:26:37 PM): I don't have a birthday. I was never born, do you remember? You told me that you understood how embarrassed I am about my condition.

The Stranger (4:27:33 PM): But still! What I was gonna pretend was your birthday!

Smiggles (4:28:26 PM): A surprise birthday party? Have you forgotten about my shock-induced heart attack last summer? The doctor ordered us to not live on the edge!

The Stranger (4:29:25 PM): Well I guess I can't show you the Bill Cosby Tentacle Adult Anime Fun Time DVD with extra special features.

The Stranger (4:29:30 PM): It's the best thing ever.

Smiggles (4:29:46 PM): You already unwrapped and watched it?

Smiggles (4:29:57 PM): I knew it all along. You never intended on giving it to me. It's for one of your lovers.

The Stranger (4:31:11 PM): It was for you! I just wanted to watch it! To make sure there was nothing that could give you another heart attack.

Smiggles (4:32:00 PM): Well, what if something -else- surprised me while I was watching it? I could die and it would be all your fault.

The Stranger (4:32:32 PM): Well then.. You have a point.

Smiggles (4:33:21 PM): ;-)

The Stranger (4:33:34 PM): You'll have to watch it anyway.

Smiggles (4:33:38 PM): Fine.

The Stranger (4:38:27 PM): Wasn't that the best thing you've ever seen?

Smiggles (4:38:59 PM): That wasn't Bill Cosby Tentacle Adult Anime Fun Time. That was an old episode of The Brady Bunch.

The Stranger (4:39:11 PM): Oh..

The Stranger (4:41:08 PM): I found it.. Here we go. http://www.youtube.com/watch?v=MHpUMCrnUNE

Smiggles (4:41:56 PM): That was profound in more ways than I could have ever imagined.

The Stranger (4:42:30 PM): Didn't you like it?!

Smiggles (4:42:45 PM): It blew my mind away completely.

Smiggles (4:56:29 PM): Wh- What's this? Look what I found in the Special Features.

Smiggles (4:56:34 PM): http://www.youtube.com/watch?v=pHHe4zKdZuI

The Stranger (5:08:25 PM): I didn't know Gary Coleman was like -that-.

Smiggles (5:08:40 PM):	He was such a prude. He should've given in.
The Stranger (7:01:16 PM):	*Does something suspicious*
Smiggles (7:55:39 PM):	Ugh, I fell asleep for a couple of hours. I had a DDR-related dream. I must play it too often.
The Stranger (7:55:57 PM):	How often do you play it?
Smiggles (7:56:36 PM):	Don't you see, darling? When I'm apart from you, I overeat pastrami, my tumbly stops getting rumbly, and I fall into a deep slumber. I want us to live our life together. May I move back into the house?
Smiggles (7:56:40 PM):	I promise to be a better uncle.
The Stranger (7:57:17 PM):	Okay! Fine.. But no more slip-ups!
Smiggles (7:57:42 PM):	I promise. But you have to assure me that you'll start sharing the strange men with me a little bit.
The Stranger (7:57:53 PM):	Only a -little- bit.
Smiggles (7:57:59 PM):	Or little bits of strange men.
Smiggles (7:58:07 PM):	Deal?
The Stranger (7:58:15 PM):	Deal.
Smiggles (7:59:17 PM):	I generally go twice per week to play it, and I must be suffering from withdrawal since Wednesday was the last time this week and I'm not going tonight.
Smiggles (8:00:02 PM):	You should give it more of a chance! In the immortal words of Christoper Elf, "Come on, dance with me! Dance with me!"
The Stranger (8:00:47 PM):	But what if I die?!
Smiggles (8:01:09 PM):	At least you won't have to hear the immortal words of Christopher Elf being shouted into your ears anymore.
Smiggles (8:20:52 PM):	This is all El DeBarge's fault: He knew that I couldn't resist his delightful hair are cheerful good-looks. I could be out with Brother Louie tonight if I wasn't still sore.
Smiggles (8:21:11 PM):	I need to get my mind off of this. Do you want to "Get his head on a spike!"?
The Stranger (8:21:34 PM):	I can't at the moment! I'm sorry. x.x;
Smiggles (8:21:41 PM):	:-(
Smiggles (9:40:46 PM):	I'm going to sleep.
The Stranger (9:41:00 PM):	Good night!
Smiggles (9:41:03 PM):	Good night.
Saturday, February 05, 2011	
Smiggles (12:51:17 AM):	-Abandoned-?! Curses!
